

Neil and Henry's display

Henry Plews...the insane joy of getting a balky lantern WORKING!

Nigel & Leslie Reynolds with Harold Landin, one of the moving forces behind the annual Ipswich Show at the Transport Museum.

The annual show at the Ipswich Transport Museum has lighting of all sorts set up amid the displays in an old Trolley car barn. Participants light everything they own, it seems! The Reynolds and Neil and Henry are regulars.

Fil and the late John Findlay at Ipswich (England) in Neil & Henry's display
